[Company name]

*How to use this document: delete this paragraph before saving, sharing, or circulating it. Every part shown in blue is yours to replace: type your own details over each blue **[field]** until no blue remains. Add or remove table rows to fit your needs. Then select all (Ctrl+A) and set the font colour to the same dark colour throughout. What is left is your finished document.*

Supply Restock Checklist

Never running out mid-week: stock levels checked against minimums, shortages ordered the same day.

Stock count and minimums

Count what is on the shelf; do not estimate. Tick anything at or below minimum and move it to the reorder table.

Item	Unit	In stock	Minimum level	Below minimum?

Delivery check

Check the delivery against the order on arrival. Report shortages or damage to the supplier the same day and note them here.

Item	Ordered	Received	Condition

Completion

✓	Check	Notes
	Stock levels are counted and compared with minimums - nothing estimated.	
	Items at or below minimum level are ordered the same day.	
	Deliveries are checked against the order and shortages reported the same day.
