[Company name]

*How to use this document: delete this paragraph before saving, sharing, or circulating it. Every part shown in blue is yours to replace: type your own details over each blue **[field]** until no blue remains. Add or remove table rows to fit your needs. Then select all (Ctrl+A) and set the font colour to the same dark colour throughout. What is left is your finished document.*

Expense Claim Form

Claiming expenses without back-and-forth: what was spent, why, receipts attached, and approval, in one form.

Checklist

Done	Check
	Every expense has a date, category, amount, and a receipt attached.
	Mileage is calculated at the agreed rate with from/to locations.
	The claim is approved before payment, and the payment reference is recorded.
