Cash-handling rules 1. **Every payment needs a receipt; no receipt, no reimbursement from the float.**
2. **Record every transaction the same day, with the receipt number.**
3. **Never borrow from the float for personal use, and never mix it with personal cash.**
4. **Replenish when the balance reaches** [Replenishment threshold]**, not when it runs out.**
5. **Count the float with a second person at month end; both sign the reconciliation above.**

Checklist
[ ] Every payment has a receipt number and an approver.
[ ] The running balance is up to date after every transaction.
[ ] Month-end reconciliation balances to zero, or the difference is explained and signed.
