*How to use this document: delete this paragraph before saving, sharing, or circulating it. Every part shown in blue is yours to replace: type your own details over each blue **[field]** until no blue remains. Add or remove table rows to fit your needs. Then select all (Ctrl+A) and set the font colour to the same dark colour throughout. What is left is your finished document.*

Consumables Usage Log

Seeing where consumables actually go: item, quantity, user or project, and date, so ordering matches real use.

Completion checklist

Done	Check
	Every use is logged with item, quantity, user or project, and date.
	Remaining stock is updated after every use, not at month end.
	Items at or below minimum level are flagged for reorder.
