*How to use this document: delete this paragraph before saving, sharing, or circulating it. Every part shown in blue is yours to replace: type your own details over each blue **[field]** until no blue remains. Add or remove table rows to fit your needs. Then select all (Ctrl+A) and set the font colour to the same dark colour throughout. What is left is your finished document.*

Equipment Maintenance Log

Keeping equipment working: maintenance dates, work done, costs, and next due dates in one log.

Maintenance log

Maintenance date	Type (scheduled / reactive)	Done by	Work carried out	Parts replaced	Labour cost	Parts cost	Total cost	Next due	Booked?

Year totals

Total maintenance cost this year	Downtime this year (days)

[Company name]

Completion checklist

Done	Check
	Every maintenance visit has a date, work done, cost, and next due date.
	Reactive repairs are logged with the same detail as scheduled services.
	The next due date is always visible - never blank.
