[Company name]

How to use this document: delete this paragraph before saving, sharing, or circulating it. Every part shown in blue is yours to replace: type your own details over each blue [field] until no blue remains. Then select all (Ctrl+A) and set the font colour to the same dark colour throughout. What is left is your finished document.

Customer Persona Sheet

This sheet describes one type of customer for [Product, service, or business name] in enough detail that marketing, sales, and product decisions can be checked against a real person instead of a vague audience. A persona is only useful if it rests on research: record the research behind it at the end of this sheet, and review the persona when that research changes.

1. Persona snapshot

Persona label: [Persona label: a short descriptive name for this customer type]
