Ashford Business Services Ltd

Social Media Plan

This plan sets the rules for Sarah Mitchell on social media for November 2026: what the activity must achieve, who it is for, which channels carry it, what themes it covers, how often it appears, who owns it, and how it will be judged. The dated publishing calendar sits separately; this plan governs it, and does not replace it.

1. Plan summary

Business or brand name: Sarah Mitchell

Plan period covered: November 2026

Plan owner: James Patel

Business objective supported: Business objective this social media activity supports

Plan status: Plan status: draft, in review, or approved

2. Goals and measures

Goal	Measure	Target	Review date
Social media goal 1	Measure for social media goal 1	Target for social media goal 1	9 November 2027
Social media goal 2	Measure for social media goal 2	Target for social media goal 2	9 November 2027
Social media goal 3	Measure for social media goal 3	Target for social media goal 3	9 November 2027

3. Audience

Primary audience: Description of the primary social media audience

Secondary audience: Description of the secondary social media audience

Audience needs: Needs and interests of the social media audience

Where the audience spends time online: 10:30 am

What the audience responds to: Content the audience responds to most strongly

4. Channel plan

Include only channels the team can sustain at the stated cadence. A channel with no owner and no cadence is not a plan; it is a wish, and it should be removed until resources exist.

Channel or	Role of this	Formats used	Posts per week	Owner

Ashford Business Services Ltd

platform type	channel			
Channel or platform type 1	Role of channel 1	Formats used on channel 1	Posts per week on channel 1	James Patel
Channel or platform type 2	Role of channel 2	Formats used on channel 2	Posts per week on channel 2	James Patel
Channel or platform type 3	Role of channel 3	Formats used on channel 3	Posts per week on channel 3	James Patel

Channels deliberately not used: £45.00

5. Content pillars

Content pillar	Audience need it serves	Formats	Share of posts	Call to action
