*How to use this document: delete this paragraph before saving, sharing, or circulating it. Every part shown in blue is yours to replace: type your own details over each blue **[field]** until no blue remains. Add or remove table rows to fit your needs. Then select all (Ctrl+A) and set the font colour to the same dark colour throughout. What is left is your finished document.*

Management Decision Register

[Company name]

A running register of every management decision, with a full record for each single decision: what was decided, why, by whom, and when it takes effect.

Running decision register

Log every decision here first, in date order, one row per decision. Give each decision a reference number and use the same number in the single-decision record below, so the register and the record always match. Add rows as needed and carry the register forward from one version to the next.
