[Company name]

How to use this document: delete this paragraph before saving, sharing, or circulating it. Every part shown in blue is yours to replace: type your own details over each blue [field] until no blue remains. Add or remove table rows to fit your needs. Then select all (Ctrl+A) and set the font colour to the same dark colour throughout. What is left is your finished document.

Patient counselling checklist

Cover every essential point when handing out medicines - consistent, safe advice for every patient.
