[Company name]

How to use this document: delete this paragraph before saving, sharing, or circulating it. Every part shown in blue is yours to replace: type your own details over each blue [field] until no blue remains. Then select all (Ctrl+A) and set the font colour to the same dark colour throughout. What is left is your finished document.

Supplier Approval Checklist

Item	Detail
Supplier legal name	[Legal name of supplier]
Goods or services supplied	[Goods or services supplied by this supplier]
Name of approval owner	[Name of approval owner]
Date of approval check	[Date of approval check]
Risk level assigned to this supplier	[Risk level assigned to this supplier]

Use this checklist before a new supplier is approved, and again when an approval is renewed or a material change occurs. A supplier is not approved until every mandatory check below is marked as met, or a written exception has been recorded in the decision section and signed by the approver. Tick a check by shading or marking its checkbox cell; leave no checkbox cell unmarked.

A. Legal identity and registration

Check	Evidence required	Done	Result	Notes
Legal name matches the registration document provided.	Registration document showing the supplier legal name and registration number.		[Result of this approval check]	[Notes on this approval check]
