Office Closing SOP

Purpose: Closing the office safely every evening: equipment shutdown, windows and doors, alarms, and notes for the next day.

Who this is for: The person closing the office - close at **[Closing time]** and work through the sections in order.

End-of-day shutdown steps

1. Close at **[Closing time]**.
2. Ask staff to shut down their computers or lock them, and switch shared printers to standby.
3. Switch off kitchen appliances at the wall: kettle, toaster, microwave, coffee machine.
4. Set the air conditioning to **[Overnight air-conditioning setting]**.
5. Close blinds in street-facing rooms.
6. Switch off non-essential lights.

Security and alarm procedure

1. Walk the office once to confirm all windows are closed, internal doors are locked, and no one remains in meeting rooms, washrooms, or the kitchen.
2. Lock the main entrance.
3. Set the alarm and wait for the panel to confirm it is armed before leaving.
4. If the alarm will not set, re-check doors and windows once, then call **[Alarm company name]** on **[Alarm company phone]** and inform **[Office manager name]**. Do not leave the building unalarmed without reporting it.
